

Essanyu Ly'abaana project

Essanyu Ly'abaana project is being implemented from 20 Health Facilities from 5 districts of Mpigi, Masaka, Lwengo, Kyotera and Rakai.

Project activities

- Psychosocial residential camps for children aged 10- 14 years.
- MoSmiles mobile application.
- Caregivers support groups for caregivers of children aged 5-14 years.
- Distribution of play materials
- Design and delivery of child friendly accessories like aprons and clinical coats with cartoon characters
- Health worker trainings on Mental health and child friendly services.
- Scaling up diagnosis of children living with HIV
- School workshops for both teaching and non teaching staff.
